Medical Summit
MOUNTAIN BIKE WORLD CHAMPIONSHIPS

5. September 2018
PRIVÀ Lodge, Lenzerheide, Switzerland
The exchange of expertise with colleagues during international competitions is always an enrichment. The chance of hosting the best teams from all over the world in Switzerland gave us the opportunity to organize a very special medical meeting. Proudly we display a broad variety of topics concerning mountain biking and medicine presented to you by international experts. We expect lively discussions and lots of inspiration with mountain bike medicine enthusiasts from all over the world.

See you in Lenzerheide!
